Mutual Funds involve risk including the possible loss of principal. A higher portfolio turnover will result in higher transactional and brokerage costs. There is no guarantee that any investment strategy will achieve its objectives, generate profits or avoid losses. Investors should carefully consider the investment objectives, risks, charges, and expenses of the Tactical Dividend and Momentum Fund. This and other information about the Funds is contained in the prospectus and should be read carefully before investing. The prospectus can be obtained by clicking [here](#) or by calling toll free 1-844-828-3212. The Tactical Dividend Momentum Fund is distributed by Foreside Financial Services, LLC. Hanlon Investment Management, Inc. is not affiliated with Foreside Financial Services, LLC. Member FINRA/SIPC.

As with all mutual funds, there is the risk that you could lose money through your investment in the Funds. The net asset value of the Funds will fluctuate based on changes in the value of the securities in which it invests. For a listing of the specific risks associated with investing in the Fund(s), investors should carefully review the prospectus by clicking [here](#) or by calling toll free 1-844-828-3212.
